Dutro Company is applying for Permit to Operate an existing Paint Spray Booth. Spray booth is used for coating of miscellaneous metal parts and products like carts, dollies etc.

William C. Norton
EXECUTIVE OFFICER/APCO

The District has determined that the increase in health risks resulting from toxic air contaminant emissions from the proposed source is within acceptable levels, and that the project will comply with all other applicable air pollution control requirements. Accordingly, the District plans to issue a Permit to Operate for the proposed project.

If you are interested in getting more information on the District's evaluation of this proposed project, you may request copies of the applicable staff report(s) by calling the District at the telephone number listed at the end of this notice. This information also can be viewed or downloaded from the District website at <http://www.baaqmd.gov/permit/pn.htm>.

PUBLIC COMMENT PERIOD

There is a 30-day period for public response to this proposal. If you wish to comment on the proposed project, you may do so in writing or by e-mail. Alternatively, you may call and leave a telephone message up to one minute in length. Please leave your name and telephone number so that a District staff member may respond to your message.
